OUR MISSION

Smart Campuses. Seamless Experiences.

Our partner universities have achieved a 5x increase in operational efficiency and a 3x reduction in wastage.

Our mission is to simplify campus management by bringing student housing, dining, payments, access control and facilities management onto one integrated platform. We automate daily operations and communication, enhance the student experience and deliver AI-powered insights to help institutions manage their campuses more effectively.

Solutions

AUTOMATED STUDENT ACCOMMODATION

The simplest way to automate your campus housing workflows, end-to-end.

STUDENT SECURITY & ACCESS CONTROL

Every check-in. Every check-out. One clear record.

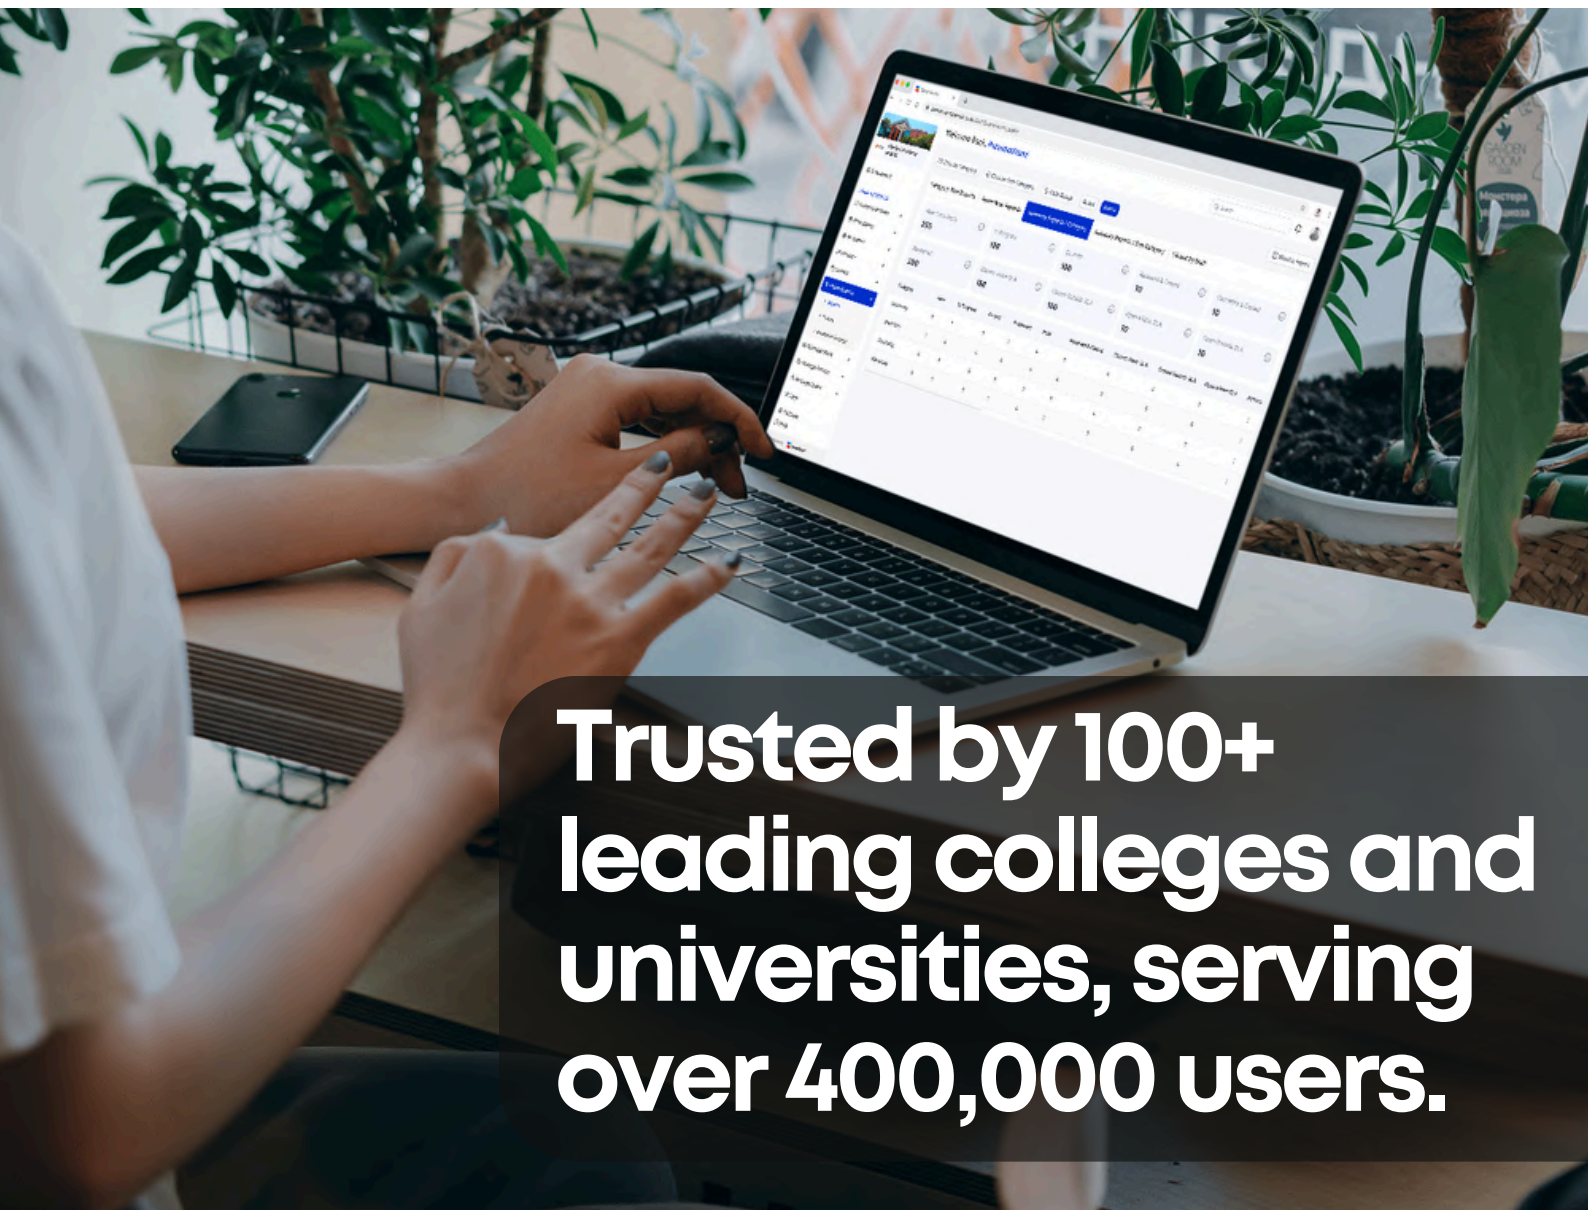

DIGITAL DINING & CAFETERIA

AI-enabled digital cafeteria – Automate student cafeteria usage, save food, reduce waste & expenses.

SPACEBASIC PAY

Simplify complex campus payments – Transactions that are instant, secure and direct contactless.

**Trusted by 100+
leading colleges and
universities, serving
over 400,000 users.**

Automated Student Accommodation

Web and Mobile Apps (iOS & Android)

AUTOMATED STUDENT ACCOMMODATION

The simplest way to automate your campus housing workflows, end-to-end.

STUDENT ONBOARDING

A seamless, end-to-end onboarding experience for students and administrators.

- ✓ Custom application form & sign-up link
- ✓ Bulk student upload by management
- ✓ ERP integration available

SMART ROOM ALLOCATION

Upon sign-up student are assigned rooms or can choose to book a room.

- ✓ Aeroplane seat-style room view
- ✓ Auto room assignment on sign-up
- ✓ Real-time inventory tracking
- ✓ Easy room swap & shift

FLEXIBLE ROOM PAYMENTS

Simplify onboarding with digital payments, EMLs, and loan integrations.

- ✓ Pro-rata, full, or part payment options
- ✓ Automated receipts & reminders
- ✓ Real-time payment tracking

COMMUNITY ENGAGEMENT

Centralised communication to connect students, staff, and parents — fostering engagement.

- ✓ Broadcast announcements
- ✓ Share events & updates
- ✓ Run polls & collect feedback

PERMISSIONS, LEAVES BEST SELLER

Digitised, hassle-free leave requests with real-time tracking and multi-level approvals.

- ✓ One-touch leave application and approval
- ✓ Parent approval via voice call & WhatsApp
- ✓ Custom workflows & Real-time updates
- ✓ Automated logs for record-keeping & audits

QR CHECK-IN & CHECK-OUT

Streamlined student movement with real-time tracking, approvals, and attendance sync.

- ✓ Instant QR code for check-in/out
- ✓ Integrated with attendance system
- ✓ Real-time tracking of student movement
- ✓ Automated logs for security & compliance

IOT-ENABLED ATTENDANCE

Seamless, tech-powered attendance tracking with instant alerts and integrations.

- ✓ Face recognition, biometric, RFID options
- ✓ Attendance via mobile app or devices
- ✓ Real-time sync with dashboards
- ✓ Instant SMS notifications to staff & parents

DYNAMIC QR ATTENDANCE BEST SELLER

10x faster than traditional pen-and-paper methods - built for speed and accuracy.

- ✓ Instantly generated dynamic QR codes
- ✓ Quick scan to mark attendance in seconds
- ✓ Eliminates manual errors and delays
- ✓ Custom reports with admin dashboards

DISCIPLINE TRACKER

Encourage responsible behaviour across campus with real-time violation tracking and parent notification.

- ✓ Record and categorise student violations
- ✓ Track missed attendance as part of discipline logs

PREDICTIVE MAINTENANCE BEST SELLER

Effortless complaint handling with AI-powered automation and real-time tracking.

- ✓ Easy maintenance request submission
- ✓ Auto-assignment to internal teams, vendors
- ✓ Escalation matrix for unresolved issues
- ✓ Vendor access with role-based permissions
- ✓ Multi-channel notifications (app, SMS, email)
- ✓ AI-generated reports for insights, planning

ASSETS & INVENTORY

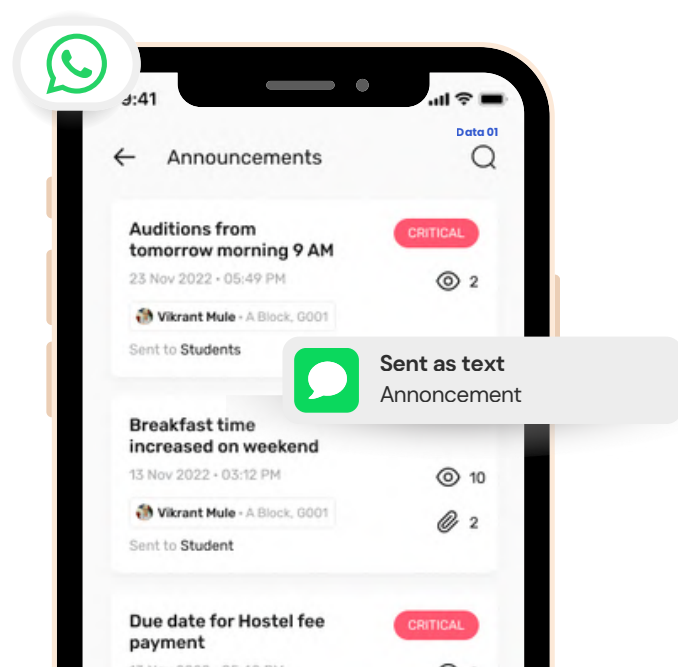

Enhance maintenance efficiency with real-time asset tracking and inventory control.

- ✓ Link assets and inventory to tickets
- ✓ Track usage, availability, and assignment
- ✓ Auto-update stock on issue resolution
- ✓ Prevent misuse with transparent asset logs

AMENITIES BOOKING

Effortless scheduling and secure access to campus amenities—fully customisable.

- ✓ One-click booking for laundry, gym, sports, games & entertainment
- ✓ Custom workflows per amenity (e.g., time slots, approvals, usage limits)
- ✓ QR-based check-ins for verified access

VISITOR MANAGEMENT

Secure, hassle-free guest access with instant approvals and real-time tracking.

- ✓ One-touch visitor approval
- ✓ Pre-registration and walk-in visitor options
- ✓ QR-based check-in/out for verified access
- ✓ Real-time visitor logs for security and audits

SOS – SAFETY & SUPPORT

Empowering students with quick emergency access—safety just a tap away.

- ✓ One-touch for immediate alerts
- ✓ Notifies authorities, and parents instantly
- ✓ Real-time location for rapid response
- ✓ Integrates with student profiles and data

AI-ENABLED REPORTS BEST SELLER

More than just Excel—intelligent, actionable data that drives decisions.

- ✓ Customizable, AI-powered reports
- ✓ Visual dashboards for quick analysis
- ✓ 3x reduction in operational costs
- ✓ Supports better planning and compliance

IOT FOR SUSTAINABILITY BEST SELLER

Secure, automated operations with built-in energy efficiency and eco-conscious design.

- ✓ Integrates with biometric, facial recognition and flap barrier gates for secure access control
- ✓ Connects with energy meters to track and reduce consumption
- ✓ Enables automated control of lighting, water, and HVAC systems
- ✓ Promotes sustainability through real-time usage insights & optimisation

GUEST / STAFF ACCOMMODATION

Simplified booking and management for non-student stays on campus.

- ✓ One-click room booking for guests & staff
- ✓ Custom stay duration, room types
- ✓ Real-time room availability & calendar view
- ✓ Integrated with check-ins and billing

STUDENT OFF-BOARDING

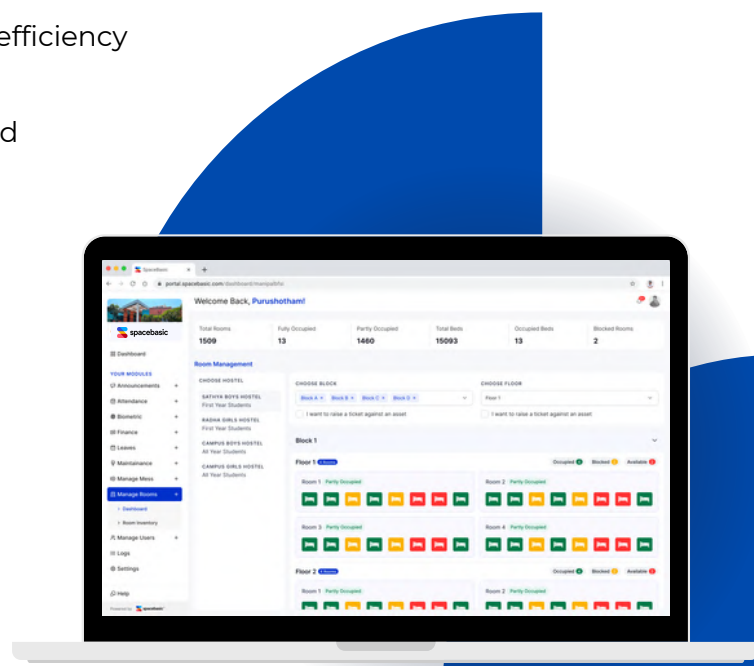

Smooth and structured check-out experience with configurable workflows.

- ✓ Customisable off-boarding forms
- ✓ Room inspection checklist & digital records
- ✓ Automated refund processing
- ✓ Final inventory and key handover logs

MULTI-CHANNEL NOTIFICATIONS

Stay connected with real-time updates—delivered wherever your users are.

- ✓ Seamless integration with Email, SMS, WhatsApp & IVR
- ✓ Instantly notify students, staff, and parents
- ✓ Additional integration options available on request

Digital Dining & Cafeteria

Web and Mobile Apps (iOS & Android)

DIGITAL DINING & CAFETERIA

AI-enabled digital cafeteria – Automate student cafeteria usage, save food, reduce waste & expenses.

Automate your cafeteria in minutes—configurable workflows, no chaos

Streamline meal planning, track consumption trends, and cut down on food waste effortlessly. Empower management with real-time insights and drive cost efficiency like never before.

75 Million Meals Booked

Leading to a reduction of **over \$1M in food wastage** through smart planning and consumption insights.

DIGITAL MENUS

BEST SELLER

Customise and automate meal planning with ease.

- ✓ Daily & Weekly Meal Scheduling
- ✓ Regular & Prepaid Bookings
- ✓ Feedback Collection
- ✓ Vendor Coordination

QR CHECK-INS

Simplify cafeteria access and meal tracking with a single, smart QR code.

- ✓ Multi-purpose QR for cafeteria entry
- ✓ Quick scan for meal validation and pickup
- ✓ Tracks meal consumption in real-time
- ✓ Enhances security and reduces queues

INVENTORY MANAGEMENT

Seamless, tech-powered attendance tracking with instant alerts and integrations.

- ✓ Track raw materials, perishables, and vendor supplies
- ✓ Sync with menu and consumption data
- ✓ AI-powered reports to reduce wastage & cost

AI-POWERED ANALYTICS

BEST SELLER

Leverage intelligent insights to optimise cafeteria performance and reduce waste.

- ✓ Track food consumption patterns in real-time
- ✓ Predict foot traffic to prevent overstocking and shortages
- ✓ Identify popular meals and adjust menus accordingly
- ✓ Actionable reports for data-driven decisions

MEAL BOOKING

BEST SELLER

Students can easily browse menus and book their meals — convenient and personalised.

- ✓ Students browse menus via the app
- ✓ Book meals in advance with just a tap
- ✓ Auto-reminders for booking deadlines
- ✓ Custom options for dietary preferences

WALLET TOP-UP

Easily top-up, pay, and buy meals with a cashless digital wallet.

- ✓ Use wallet to pay and buy meals instantly
- ✓ Recharge wallets online via UPI, cards, or net banking
- ✓ Fully integrated with meal booking and QR check-ins

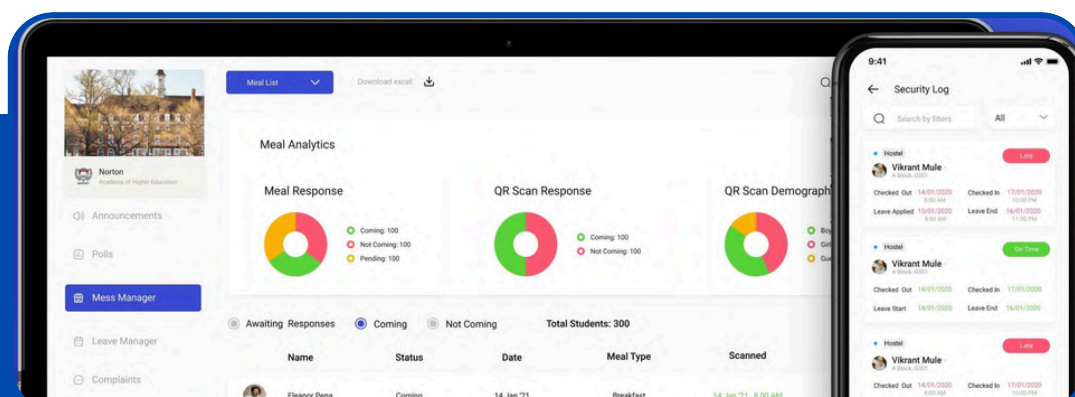

INSTANT FEEDBACK

Empower users to share real-time reviews and improve service quality.

- ✓ Quick ratings after each meal or service
- ✓ Option to add comments and suggestions
- ✓ Helps reduce complaints and increase satisfaction

AI powered Dashboard

Cloud-based insights to reduce costs and streamline cafeteria operations.

Access Control & Student Check-ins

Web and Mobile Apps (iOS & Android)

STUDENT ATTENDANCE & MOVEMENT

Manage attendance, gate passes, and campus and hostel entry and exits in one place.

STUDENT CHECK-IN & CHECK-OUT

One scan. All the right information—secure and instant.

- ✓ Record entry and exit times
- ✓ Maintain student-wise movement histories
- ✓ View who is on campus, hostel or away

BEST SELLER

GATE PASS & LEAVE MANAGEMENT

Manage student requests and approvals digitally.

- ✓ Configure approval workflows
- ✓ Record departure and expected return times
- ✓ Verify approved passes at the gate
- ✓ SMS / WhatsApp alerts to Parents & Students

ATTENDANCE TRACKING

Smart, secure, and 10x faster than manual methods.

- ✓ Quick scans via Student ID
- ✓ Seamless IoT integration
- ✓ Track absences with alerts

ALERTS & EXCEPTIONS

Help teams follow up on missed check-ins and delayed returns.

- ✓ Flag overdue gate passes
- ✓ Identify missed attendance and late returns
- ✓ Notify designated staff based on campus rules

ROLES & REPORTING

Give wardens, security and administrators the access they need.

- ✓ Configure role-based permissions
- ✓ View attendance and movement dashboards
- ✓ Custom reporting for records and review

Seamless check-ins across campuses.

100 Million+ QR Scans

Every check-in. Every check-out. One clear record.

USE CASE

Access Control & Student Check-ins

Student Check-ins with IoT

IoT + AI for next-gen campus automation. Because student safety starts at the gate.

Ensure secure, **automated entry and exit tracking** with QR/RFID-enabled Smart IDs, integrated IoT devices, flap barrier gates, and facial recognition systems.

- ✓ Touchless access via face recognition or Smart ID (tap/scan)
- ✓ Flap barriers for secure entry to hostels, classrooms & buses
- ✓ Live dashboard with activity logs
- ✓ Instant SMS alerts to admins & parents
- ✓ ERP/Campus system integration

USE CASE

Access Control & Student Check-ins

Visitor Management

Manage campus visits from approval to exit, with a digital record of every visitor.

Record entry and exit times with real-time visibility of visitors on campus and integrate with ERP/Campus system tools.

- ✓ Pre-register visitors or register walk-ins at the gate
- ✓ Capture visitor details, purpose of visit, host and vehicle number
- ✓ Verify entry through QR passes or OTP
- ✓ Configure approvals for parents, guests, vendors and service providers

SpaceBasic Pay

Web and Mobile Apps (iOS & Android)

SPACEBASIC PAY

*Simplify complex campus payments –
Instant, secure and quick transactions.*

AUTOMATED INVOICING

End-to-end invoicing automation for all campus-related payments.

- ✓ Scheduled billing: daily, weekly, or monthly
- ✓ Shareable PDF invoices for students and parents
- ✓ Seamless integration with ERPs

SIMPLIFIED RECONCILIATION

Track, verify, and close payments with ease—across departments and payment modes.

- ✓ Centralised ledger across services
- ✓ Auto-match transactions from multiple payment gateways
- ✓ Error detection & manual adjustment tools
- ✓ Integrated with ERP, accounting, and invoicing systems
- ✓ Real-time dashboard for fee status and collections

PAYMENT WORKFLOWS

Design flexible payment journeys tailored to your campus needs.

- ✓ Part payments, pro-rata billing, loans, EMI's
- ✓ Set up workflows for cafeteria, hostel, tuition, transport, and more
- ✓ Integrated with wallets & payment gateways

CUSTOM REMINDERS

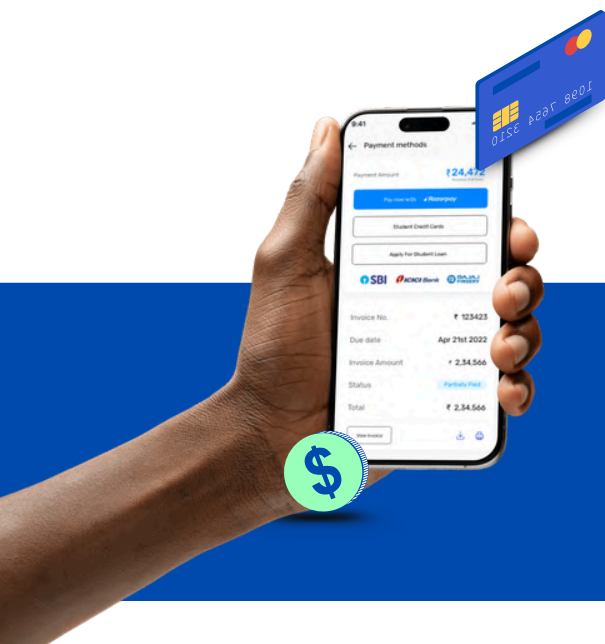

Never miss a payment or deadline with smart, scheduled notifications.

- ✓ Auto-reminders for upcoming dues
- ✓ Targeted alerts based on user type
- ✓ Supports recurring and one-time reminders via Email, SMS, WhatsApp & IVR

CENTRALISED TRACKING

A unified view of all financial operations

- ✓ Real-time insights into collections, dues, and payment statuses
- ✓ Track transactions by category
- ✓ Exportable reports for audits, compliance

**USD \$120 Million +
Payments Collected**

INR ₹1,000 CRORES

- 80% on-time payments
- 50% drop in outstanding dues

GETTING STARTED

Go Live in 3 Steps – That's It.

*Go live in days, with zero engineering effort and no downtime—ever.
Built for scale. Powered by simplicity.*

Director of Operations

“Our experience with SpaceBasic’s support team has been seamless. From structured onboarding to consistent follow-ups, their dedicated account manager model ensures everything runs smoothly and efficiently.”

ELANCHEZHIAN G
VP of Campus Infrastructure

Fast replies. Real humans. One point of contact.

Your **dedicated account manager**’s got your back—every step of the way.

● SIGN UP IN MINUTES

Whether you're a campus admin or a facility manager, our streamlined sign-up process gets you up and running in minutes—so you can focus on what matters.

● ONBOARD WITH EASE

Add users in bulk, integrate with your ERP, and get hands-on training—smooth, simple, and stress-free.

● SUPPORT THAT’S ON

- Dedicated Account Manager for ongoing success
- 24/7 support across time zones
- Live chat, helpdesk, knowledge base
- SLA-driven response and resolution

Why SpaceBasic

Every month our students had to stand in queues for long hours to book meal plan. With 3 cafeterias and 1000+ students, day-to-day cafeteria management involves a lot of manual processes. A lot of these manual processes are now completely automated through the SpaceBasic App which takes less than a couple of minutes.

ANUDEEP SEEMALAMUDI MALLESH
Manager Administration, PES University

SpaceBasic Pay has made our fee collection so much smoother and stress-free. The team truly understands what institutions need and delivers it with heart.
